Avalos tint

Introduction

Avalos Tint is a premier window tinting service provider based in Las Vegas, NV. They specialize in automotive window tinting, heat-blocker windshield films, smoked taillights, and color-change car wraps using high-quality materials backed by a lifetime warranty on every tint installation. The professional staff at Avalos Tint have over 25 years of combined auto tinting experience, ensuring exceptional results.

Vision & Mission

Avalos Tint envisions becoming the premier provider of high-quality window tinting solutions, recognized for our commitment to excellence, innovation, and customer satisfaction. We aim to revolutionize the industry by continually pushing boundaries and setting new standards for performance, reliability, and customer service.

Our mission at Avalos Tint is to enhance the comfort, privacy, and safety of our customers through expert window tinting solutions. We strive to deliver superior products and services tailored to meet the unique needs of each client while maintaining affordability and sustainability. With a dedication to craftsmanship and professionalism, we aim to exceed expectations and build lasting relationships with our valued customers and partners.

Vision

Mission

Why Choose Avalos Tint?

Loads of Experience: We've got the most experienced tinter in town, boasting over 20 years of hands-on expertise.

Proven Track Record: We've been serving our community right here since 2009. That's more than a decade of trust and reliability.

Speedy Service: Our special technique lets you roll down your windows on the very same day you get them tinted. Convenience at its best!

Quality Assurance: Before you drive off, we conduct a final check to ensure every window looks spotless. Your satisfaction is our priority.

Perfect Conditions: Our climate control installation room guarantees a flawless installation. No dust, no mess—just a clean finish.
