While facing a cash crunch, especially when you have lots of expenses for multiple household needs, you might have to look for a personal loan to ensure easy and fast disbursal. So, in that tough time, you can get a **personal loan without income proof** which is not only easy in application but also approved and disbursed with fewer formalities. However, you have to go through some essential steps like verification (if required). And, if you are eligible, you can apply for the loan in a few hours. Before applying, you should check your eligibility, such as for how much you can get the approval, tenure, and others. Some essential features and steps to apply for a personal loan are as follows.

Steps to apply for a personal loan without income proof

Although the name and title can create confusion that the loan can be assured without income proof, there are some terms and conditions, especially related to eligibility. The loan without documents means that there is no requirement for a hard copy of your required documents i.e., Aadhar and PAN card, and salary slip because you can apply for the loan by uploading a soft copy of your PAN and Aadhar, or other required documents. And, the steps through which you can easily apply for a personal loan are as follows.

- Go to the website, click the “Apply Now” button
- In the application form, fill in all the required details such as your name, mobile number, etc.
- Get an instant response from the executive for verification
- Share the documents or information if required
- After approval, receive the loan amount in your account
- Use the amount and as per the tenure, repay the loan.

Eligibility criteria for an instant personal loan

Before applying for an **instant personal loan online**, you must check the eligibility criteria, and then apply for the loan properly. However, the loan amount is fixed based on your credit score and income. The eligibility criteria for the personal are fixed considering multiple factors, and these are as follows.

Here's a table summarizing the information:
