Bio-One Cleanup Services | Bio-One Hoarding Services | Bio-One Blog

We are here for you when you need us the most.

Often the call for a crime scene, biohazard, or decontamination cleaning job comes amid highly traumatic, life-changing situations. While others will come in and turn away the most intense jobs, we are equipped to handle anything.

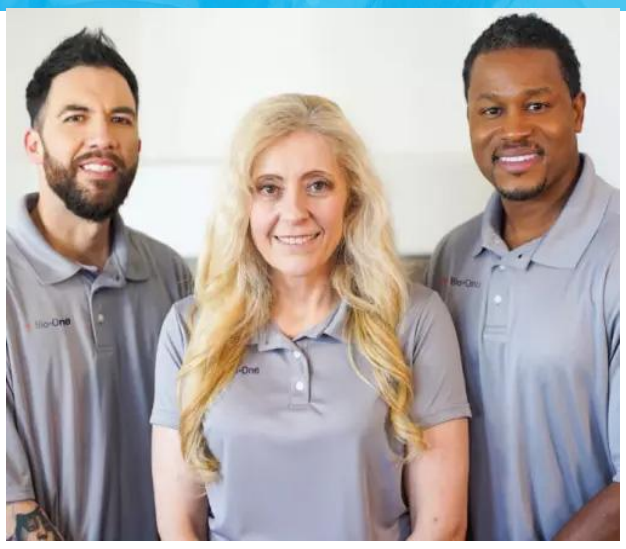

Visit our Website

1. Call as soon as you need help.

   With 24/7 availability, we are ready to answer your call if the unthinkable happens.

2. We will provide comprehensive remediation.

   Our Bio-One of Green Bay crew will

discreetly and professionally complete the crime scene cleanup or biohazard decontamination job.

3. ## We will work with your insurance directly.

   Working with your insurance company can be overwhelming. Bio-One of Green Bay can open the claim and work with the adjusters directly.

About Us

Bio-One of Green Bay is a leader in crime scene cleanup and biohazard decontamination services in Green Bay for a reason. The scenes we remediate can be overwhelming and dangerous. We are trained, experienced, and here for you. Contact us anytime, day or night. **We answer the call 24/7.**

Our Purpose

Bio-One of Green Bay is a professional crime scene and biohazard decontamination cleaning company serving the Green Bay area.

We are trained, experienced, and insured to remediate overwhelming biohazard situations. From animal hoarding to active crime scenes, we

have disinfected, removed, and disposed everything you can think of. In Bio-One's 10+ years of experience, teams across the United States have tackled everything imaginable with care and compassion.

During that time, safety has been a mainstay. We follow OSHA standards and ensure all our teams are equipped with the proper equipment and PPE to safely complete a job from beginning to end.

Our Qualifiers

We are trained and insured as a professional crime scene cleanup and decontamination company. Our technicians are highly skilled and have been trained on OSHA's safety standards.

- You can call our local team directly
- We answer calls 24/7
- The cleaning procedure will be explained in detail
- We will schedule work when it is most convenient for you
- Our trained technicians will decontaminate the impacted areas and leave it in safe manner so you can move forward

When you call Bio-One of Green Bay, you are working with professionals. If anybody knows how to clean biohazards, it is Bio-One of Green Bay.

Compassion and Understanding

Our priority is helping you. Bio-One of Green Bay continues to be the most passionate and caring company in the cleaning services industry. We have built our company on the foundation of discretion and confidentiality.

We treat each situation with care and compassion and take time to learn your individual needs and goals.

We can open your insurance claim and work with adjusters so you can focus on other urgent matters. We strive to make a difference in our community and thrive by going above and beyond for our clients at Bio-One of Green Bay.
